CLEAN UP

Fall cleanup is tentatively scheduled for November 1-2 for green waste only! Please call the City Office to get on the pickup list.

Please take household and non-green waste items to the county landfill or a transfer station. If you take it to the transfer station the county transports your waste to the landfill and it's included in your monthly county landfill bill.

Thank you for your efforts in keeping Delta looking great!

WEEDS PREVENTION

Don't forget to take care of your weeds before they go to seed. This will help save you a lot of time in the future. On that note, Millard County has threatened to close the Delta transfer station if users continue to pile limbs and other items outside the bins. All limbs and large items must be taken directly to the landfill.

THANK YOU
